TCPALM.com -- Martin County is one of the best places in America to raise a family, according to Forbes magazine.

Using school scores, graduation rates, per capita income and other statistics, the magazine judged every county in the country with more than 65,000 residents. Martin County ranked 11th in the nation.

Topping the list was Hamilton County, Ind., and other Midwestern counties rounded out the top 10. Sarasota County, at No. 19, was the only other Florida county on Forbes' list.
